Dear Parent/ Guardian,

We are Team SuperSchools, we provide a fun, inspirational and exciting way of raising funds for your child's school. Children have fun taking part in exercise and meeting an international sports star and taking part in exercise. We encourage the school to use some of the funds raised to purchase sports equipment to help out with future activities.

- To give you a brief insight into our work, in the past **9 years** nearly - **497,000** pupils have taken part in a TSS event.
- Over **£754,000** has been raised and retained for schools.
- Olympic and Paralympic athletes inspiring the children and the teachers.

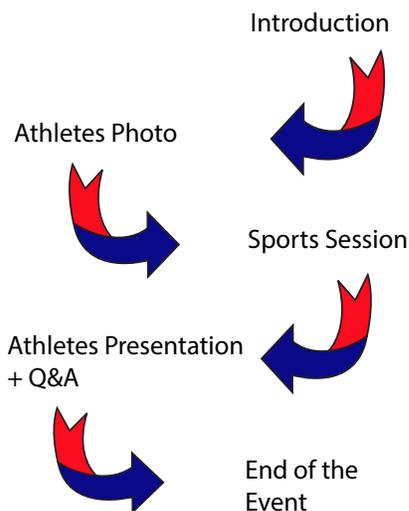

TSS has recruited many Olympic and Paralympic athletes to be involved and help host our events which have been very well received in the past. We hope that this session will encourage children to be active and take part in sport. TSS offers a professional and fun service. The children's energy will be fueled by our proud sponsor Brioche Pasquier who will be providing PITCH snacks on the day along with incentives and gifts for the children to enjoy.

In order to participate in this session please complete and return this form. We look forward to seeing you soon!

You can also donate by visiting our online payment service
